## *Menu of Esthetic Services*

### *European Facial*

\$20

45 minutes

*Pamper yourself with a treatment chosen specifically for your skin type. The cleansing, exfoliating and facial massage will leave your skin feeling like butter! A relaxing hand massage will end this treat to your day. You will leave feeling relaxed and revitalized!*

### *Galvanic Facial*

\$35

70 minutes

*All of the pampering you receive with the "European Facial" with the added benefit of combining a firming serum with low electrical current that stimulates and tightens the facial muscles. A definite must for anyone concerned about the beginning of those fine lines!*

### *Glycolic Treatment*

\$35

45 minutes

*This targeted treatment helps remove dead skin cells from the outer layer of the skin improving its texture and minimizing fine lines. The cell turnover will improve dry skin, help with oil from acne prone skin and assist with stubborn discoloration.*

### *Shiatsu Facial-Lymphatic Drainage Treatment*

\$50

60 minutes

*The absolute best treatment for reducing puffiness and facial fatigue. The Shiatsu part of this treatment applies pressure to key areas of the face and neck helping energy flow, as well as soothing and relaxing tense facial muscles. The Lymphatic Drainage helps reduce puffiness by stimulating circulation and helping to move toxins out of your system.*

### ***Stone Facial-Reiki Treatment***

**\$75**

**60 minutes**

*If you are looking for the ultimate relaxing experience this is the treatment for you! Lie back and close your eyes as the soft music lulls you to your place of Zen. Your face will be pampered with specialty products chosen just for you, smooth warm stones will glide over your face, neck and shoulders penetrating the luxurious products deep into your pores, leaving your skin glowing! While your calming mask is processing, you will enter a deep state of relaxation. Healing and balancing energy transmitted through the palms of your therapist's hands will help to calm your emotions and quiet your mind. This is the ultimate treatment for stress and balancing our hectic lives.*

### ***Paraffin Masque***

**\$35**

**60 minutes**

*An absolute must for clients with maturing or dry skin that is dull and lifeless. This wonderfully warm and unique masque promotes circulation and deep penetration of ingredients into the skin leaving it velvety soft and hydrated.*

### ***Microdermabrasion***

**\$55**

**60 minutes**

*The mechanical use of ultrafine crystals and a light vacuum reduces dark spots and superficial scars. Helps with collagen production resulting in a supple skin tone and texture. For best results, 3 or more treatments are recommended.*

### ***Hydrodermabrasion***

**\$55**

**60 minutes**

*The future of Exfoliation - this new technology uses a closed loop vacuum system and a diamond encrusted exfoliating disc to smooth, thoroughly exfoliate and hydrate your skin leaving it glowing with a youthful appearance!*

### ***LED Light Therapy***
